LIVE FOR GOD AND LIVE

## Why Papua New Guinea? Why Now?

Because there are still over 400 people groups in PNG that do not have the Bible in their own language. The Bible is God’s gift to us to know Him better and to foster relationship with us.

**We can get wisdom from Proverbs 30:5** “Every word of the Lord is flawless; He is a shield to those who take refuge in Him.” **They cannot.**

**We can get comfort from Psalm 121:3** “He will not let your foot slip- He who watches over you will not slumber.” **They cannot.**

**We can see His love from Romans 5:8** “But God demonstrates His own love for us in this: While we are still sinners, Christ died for us.” **They cannot.**

**We are rich in His Word! Join us in giving our lives to the battle of overcoming Bible poverty in Papua New Guinea.**

John's last day of work was January 28th. Our boxes were packed and dropped off to be shipped around the world on Feb 6th. We sold our van on February 9th. We are ready! The only thing keeping us from taking the next step - buying the plane tickets and setting across the globe - is the remaining \$1,082 a month of our Wycliffe ministry budget. We are confident that through you, God will take care of this!

This past year has been amazing! God has really knocked our socks off with His generosity to us through all of our partners. You have blessed us more than we can say... your prayers, gifts, and encouragements have really been the legs of Christ moving us forward for His glory.

As you may remember, we must have our entire ministry budget pledged before Wycliffe will release us to serve in PNG. Because of the urgent need for someone to fill the role assigned to John, our PNG supervisor is asking us to arrive in May 2015. We can then attend the Pacific Orientation Course and not have to delay until the following session, next fall. **In order to arrive by May, we need to meet our Wycliffe ministry budget goal as soon as possible!**

We have been so encouraged by the many of you who have expressed interest in partnering with our Wycliffe ministry and would be delighted to have you officially be part of the team! We will be doing follow-up calls to this newsletter in the following weeks, to catch up and give everyone a chance to join the team. Don't feel like you have to wait on us though - if you feel God pulling your heart to partner with our Wycliffe ministry in PNG, sign up today. Please let us know how much you would like to pledge so that we can inform our supervisor that the financial gap is being closed. Once we inform her that the amount has been pledged in full, she will release us to apply for visas and purchase plane tickets to Papua New Guinea!

Let's do this together,

*John & Kristi Craig*
